# Life from the Soil

Tuesday 14<sup>th</sup> March 2017 | 10am - 3.30pm

A day to explore how a range of projects use the land to benefit individuals and communities. If you have an interest in this, come along and find out more.

## Delegates will;

- Hear success stories;
- Participate in practical activities;
- Take part in a guided tour of Garden Organic's horticultural therapy garden;
- Learn more about 'Life From Soil', the guidebook produced and projects involved;
- Find out how to evaluate projects and understand the social, environmental and economic benefits;
- Share experiences with peers and colleagues.

To book a place, please contact us on:

Email: [schools@gardenorganic.org.uk](mailto:schools@gardenorganic.org.uk) | Phone: 02476 217747

Alternatively, book a place directly on Eventbrite: <http://lifefromsoil.eventbrite.co.uk>

This event is free to attend, lunch & refreshments will be provided. Some financial support is available for people travelling to attend from European countries outside of the UK, please contact us for more information.

This day has been organised as the Life From Soil output dissemination event.
